[REDACTED] received an assignment to assist this staff in the preparation of targets for a special reconnaissance program. We wish to express our appreciation of the expeditious, thorough, and capable manner in which he accomplished this assignment. Working through the weekend of the President's death, when little or no support was available, [REDACTED] a detailed and precise set of targets which, with supporting maps, met our needs completely. This high caliber of professional support is most gratifying.
